

COMMUNITY RESOURCES REFERRAL GUIDE

Updated February 2008

Compiled by the Family Law
Pro Bono Service Class at
Syracuse University College of Law

As a service to public interest organizations in the Syracuse community, several law students from the Family Law Pro Bono Service Class compiled a referral guide of community resources. This guide is intended to assist public interest organizations in referring indigent clients to appropriate resources.

Please feel free to copy and use this guide within your organization. If you have any suggestions or corrections please send them to us at the contact information listed below. We appreciate your feedback and anticipate publishing an updated guide in January 2009.
